Traka key cabinets

Modular architecture for flexibility and scalability

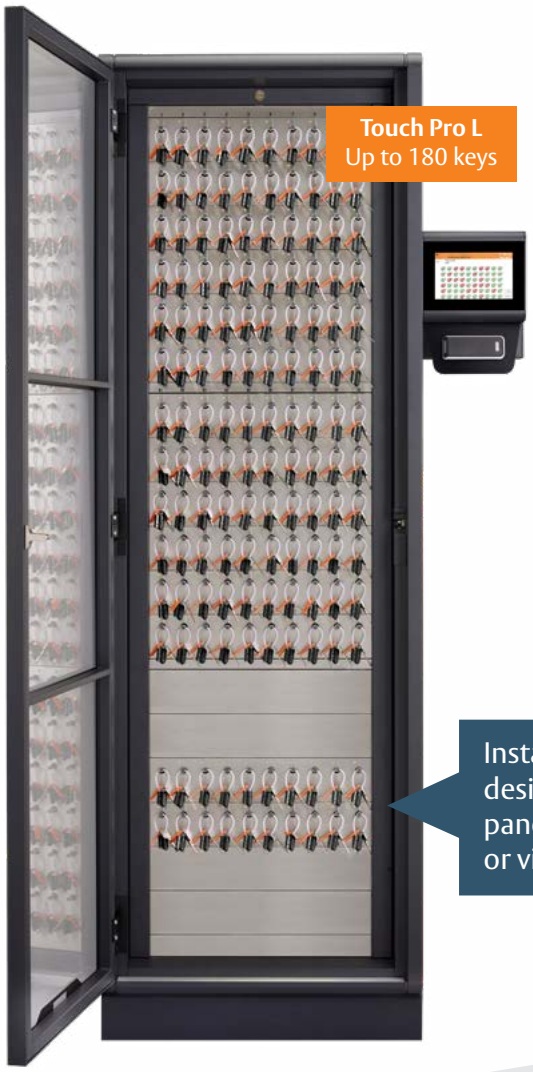

Touch Pro M
Up to 20 keys

Touch Pro S
Up to 60 keys

Touch Pro L
Up to 180 keys

Add Receptor Strips to increase key capacity as needed

10 keys

Install Receptor Strips in any desired position and use blank panels for better accessibility or visual organization

Extension Cabinets can be added to Touch Pro L and Touch Pro S systems to increase capacity from a single Traka Touch interface
